Kyoto: The Heart of Japan 學習單（修訂版）

Oct 15, 2026 · 鳳新高中英文科李姬慧老師 X AI 彙整製作

學習目標 Learning Objectives

適用對象：高中生，CEFR B1–B2。完成本單元後，我能（I can）：

1. 在資訊差活動中，用英文詢問並說明京都的季節、地標與傳統藝術。
2. 閱讀京都介紹文，找出主旨、判斷細節真假、推論作者未明說的意思，並由上下文猜詞義。
3. 使用 be heard to V / be seen V-ing 描述「聽見、看見」的事，並用 without V-ing 說出「必做的體驗」。
4. 用 100 字提出個人建議，或介紹一項想傳承的臺灣傳統。

- 目標詞彙：capital · landscape · reflection · rustling · deliberate · authentic · preserve · magnificent
- 目標句型：be heard to V / be seen V-ing；You can't fully experience … without V-ing

Part 1｜Information Gap（A 版）

兩人一組，A 看這一頁，B 看 B 版。輪流用英文提問與回答，把對方告訴你的細節寫在右欄。不要偷看對方的頁面。細節對應課文 pp.106–109。

Topic	A tells B（你的資訊）	A asks B（寫下 B 的細節）
Spring	A1 pink cherry blossoms	_____

Topic	B tells A（你的資訊）	B asks A（寫下 A 的細節）
Why visit?	B13 culture and natural beauty flow together · B14 a must-see destination, regardless of the season	_____

Useful questions

- What can visitors see or hear in (summer)?
- What happened to Kyoto in the past? What does the city have today?
- What do geishas learn? What is kyomai?
- Could you say that again? / How do you spell it? / Do you mean …?

Wrap-up（完成後）： 兩人一起把 A、B 的資訊拼成一句話：Kyoto is special because _____ _____.

Part 2｜Reading & Comprehension Check

請先閱讀課本 pp.106–109 的課文 “Kyoto: The Heart of Japan”，再作答。

Questions

1. What is the main idea of the first paragraph?
   - (A) Kyoto offers different kinds of natural beauty throughout the year.
   - (B) Kyoto's cherry blossoms attract more visitors than its other seasonal sights.
   - (C) Kyoto's weather changes so greatly that tourists must choose when to visit carefully.
   - (D) Kyoto is best known for the colorful leaves that appear during autumn.
2. Which of the following statements about the Golden Pavilion Temple is TRUE?
   - (A) It was once the capital of Japan for over a thousand years.
   - (B) Its three-story pavilion stands behind a pond and is covered in gold leaf.
   - (C) Visitors can see a large bronze phoenix standing beside its main entrance.
   - (D) Its reflection can be seen on the pond, which is located behind the pavilion.
3. What can be inferred about geishas from the third paragraph?
   - (A) Their appearance is more important than their artistic abilities.
   - (B) They learn traditional dance mainly to entertain foreign tourists.
   - (C) Becoming a geisha requires years of training in different arts.
   - (D) Their skills are usually passed down through family members.
4. What does the phrase "stand out from the crowd" in the third paragraph mean?

- (A) Attracting attention because of special qualities.
- (B) Staying away from people during public performances.
- (C) Becoming more popular than other entertainers.
- (D) Expressing strong emotions through traditional dance.

5. How does the author organize the descriptions of Kyoto in the passage?
   - (A) By comparing Kyoto's past with its present.
   - (B) By introducing Kyoto's natural beauty, a historic landmark, and traditional culture.
   - (C) By explaining the problems tourists may face and suggesting solutions.
   - (D) By describing the city's attractions in the order that tourists should visit them.
6. Which statement best explains why Kyoto is called "the Heart of Japan"?
   - (A) It has served as Japan's political capital for more than a thousand years.
   - (B) Its natural scenery and traditional culture offer visitors a meaningful experience of Japan.
   - (C) Its famous temples attract more international visitors than any other place in Japan.
   - (D) Its traditional entertainers have preserved Japanese culture without allowing it to change.

我的答案：1.____ 2.____ 3.____ 4.____ 5.____ 6.____

Find the evidence： Q2 的 B 與 D 只差在池塘的位置，請回課文第 2 段，用底線標出 “Rising up behind a crystal-clear pond”，判斷誰在誰的後面。Q3 的證據在第 3 段 lines 31–34，Q4 在 line 31 前後；請標出支持答案的句子。

Part 3｜Grammar Focus：be heard to V / be seen V-ing

Step 1｜Notice（觀察） 比較下面兩組句子，圈出動詞形式的不同。

Active（主動）	Passive（被動）
People heard a young musician **perform** an entire piece.	A young musician was heard **to perform** an entire piece.
People saw craftsmen **restoring** the roof.	Craftsmen were seen **restoring** the roof.

課文例句（p.119, line 4）：In summer, green leaves can be heard rustling in the wind and seen sparkling in the sunshine. 請圈出 heard、seen 後面的動詞形式。

想一想：什麼時候用 to V？什麼時候用 V-ing？（提示：整件事從頭到尾，或是正在進行？）

我的發現：_____

Step 2｜Transform（改寫） 把主動句改成被動句。

1. Tourists heard temple bells ringing at dawn. →_____
2. People saw geishas practice kyomai dance for hours. →_____

Step 3｜Translate（翻譯） 依提示翻成英文。

1. 文化祭期間，人們聽了年輕音樂家演奏了一整首傳統樂曲，並贏得觀眾熱烈的掌聲。（be heard）
   - 提示：cultural festival · entire · enthusiastic applause · earn
   - _____
2. 儘管這座歷史建築已歷多次整修，人們仍看見工匠們正在修復屋頂上的精緻裝飾。（be seen）
   - 提示：undergo renovations · craftsman · restore · delicate decorations
   - _____

Part 4｜Must-Do Experiences

Example： You can't fully experience British culture without having an afternoon tea.

Notice： no / never / not … without … 是兩個否定詞合用，加強語氣（課本 p.122）。課文例子：No visit to Kyoto would be complete without seeing one of the most photographed landmarks (line 12).

Sentence frames

- No trip to (place) would be complete without V-ing …
- You should never visit (place) without V-ing …
- You can't fully experience (place / culture) without V-ing …
- Don't leave (place) without V-ing …
- No (person / thing) could be a true (…) without V-ing …（課文 line 34）

Word bank： walking under the cherry blossoms · taking a photo of Kinkaku-ji's reflection · watching a kyomai performance · enjoying maple leaves in autumn · trying local food

Your turn： 選 2 個句型，各寫 1 句。第一句寫京都，第二句寫臺灣的一個地方或文化。

1. _____
2. _____

Part 5｜綜合測驗 Cloze Test

先讀完整篇，再看空格前後的邏輯與搭配詞。每題在線索處畫底線。

When Emma first arrived in Kyoto, she expected a busy city filled with modern buildings. (1) _____, she discovered quiet streets where centuries-old traditions were still part of everyday life.

Her first stop was a historic neighborhood that had once been part of Japan's political center. Although Kyoto was no longer the country's (2) _____, its old buildings reminded visitors of the important role the city had played in Japanese history. As Emma walked toward a temple, she noticed how carefully its wooden walls and painted doors had been maintained. The building looked (3) _____, with every detail beautifully designed, leaving Emma amazed by its beauty.

Later, Emma followed a narrow path into a wooded area. The gentle (4) _____ of leaves broke the silence whenever the wind passed through the trees. Beyond them, mountains stretched into the distance, forming a peaceful (5) _____ that contrasted with the crowded streets she had left behind.

That evening, Emma attended a traditional dance performance by a geisha. The dancer's movements were (6) _____, with each gesture performed slowly and with great care rather than by chance. Emma soon realized that such performances could not be mastered (7) _____ years of practice.

What impressed her most was how Kyoto continued to (8) _____ its cultural identity. From its carefully maintained temples to its traditional dance performances, the city kept its history and traditions alive.

No.	(A)	(B)	(C)	(D)	我的答案
1	Instead	As a result	Therefore	In addition	____
2	capital	destination	entrance	landscape	____
3	magnificent	deliberate	historic	massive	____
4	distinction	elegance	rustling	splendor	____
5	landscape	reflection	appearance	community	____
6	previous	deliberate	breathtaking	authentic	____
7	despite	without	due to	apart from	____
8	preserve	recognize	transform	anticipate	____

Part 6｜Q&A 口說與寫作

Task A｜Kyoto in one day

Imagine your friend can spend only one day in Kyoto. Would you recommend enjoying Kyoto's natural beauty or experiencing its traditional culture? Why? (100 words)

→ What can you see, do, or learn? Why is it special?

Task B｜Keeping a tradition alive

In Kyoto, geishas spend years learning traditional arts such as music and kyomai dance. These traditions are still important today. If you could keep one Taiwanese tradition alive for the next 100 years, what would you choose? Why? (100 words)

→ What do people do during this tradition? Why is it special or important? How can people keep it alive?

Plan first（先規劃）

Step	Sentence starter	My ideas
1. Answer	I would recommend / I would choose …	_____
2. Reason	The main reason is that …	_____
3. Detail	For example, you can … / During this tradition, people …	_____
4. Closing	That is why … / In this way, people can …	_____

Challenge（B2 延伸）： 用上 1 個 Part 4 的 without V-ing 句型，以及 1 個 Part 2 的目標詞彙。

Check before you finish

- ☐ 有清楚回答問題，並說明理由
- ☐ 至少有 1 個具體例子
- ☐ 約 100 字
- ☐ 用了至少 2 個本單元的詞彙或句型

Speaking： 兩人一組，先口說 1 分鐘，再交換回饋：One thing I liked is … / One thing you could add is …

教師版｜答案與修訂說明

答案

- Part 2：1 A · 2 B · 3 C · 4 A · 5 B · 6 B
- Part 3 Step 2：1 Temple bells were heard ringing at dawn.　2 Geishas were seen to practice kyomai dance for hours.

- Part 3 Step 3：1 During the cultural festival, a young musician was heard to perform an entire traditional piece, earning enthusiastic applause from the audience.　2 Although the historic building has undergone several renovations, craftsmen are still seen restoring the delicate decorations on its roof.
- Part 4 參考句：No trip to Kyoto would be complete without walking under the cherry blossoms in spring.　You can't fully experience Taiwan's night-market culture without trying the local snacks.
- Part 5：1 A · 2 A · 3 A · 4 C · 5 A · 6 B · 7 B · 8 A
- Part 6 Task A 參考範例（約 100 字）：I would recommend experiencing Kyoto's traditional culture. The main reason is that this is what makes Kyoto different from other cities. For example, your friend can watch a kyomai performance, where slow music and deliberate movements express deep emotion. Your friend can also visit Kinkaku-ji and see its gold leaf and bronze phoenix. No trip to Kyoto would be complete without learning about the years of training geishas go through. Nature is beautiful everywhere, but this authentic local experience is hard to find elsewhere. That is why one day of culture is the best choice.

修訂說明

部分	調整	原因
全份	頂端加入學習目標與目標詞彙、句型	讓教學演示能說明「教什麼、怎麼檢核」
Part 1	資訊重編為 A1–A14，加入提問句型與收尾句	原編號 (1)–(6) 各出現兩次，配對時易混淆；新增 B 版（資訊與 A 版互補），右欄留白給學生記錄
Part 2	6 題完全沿用，對應課本 pp.106–109，新增找證據任務	Q2 的 B、D 是刻意設計的位置細節題（pavilion rises up behind a pond），保留並引導回課文驗證
Part 3	保留兩題翻譯，新增 Step 1 觀察與 Step 2 改寫，補詞彙提示	先觀察 to V / V-ing 的差異再輸出，銜接課本 p.119
Part 4	刪除 “There is no good trip to…”，改為課文 line 34 句型，新增雙重否定觀察	原句型不自然，並與課本 p.122 呼應
Part 5	8 題與選項維持原樣，只加解題提示	干擾項都是課本單字（destination、entrance、landscape 等），有複習功能
Part 6	兩個題目保留，新增規劃表、挑戰任務與檢核表	100 字對 B1 學生負荷偏高，需要鷹架
